SUPPLEMENT.

REPORT NO 1.—BOARD OF EDUCATION.

The Board of Education beg leave to report that they have given due consideration to the matters referred to them.

Reports from six institutions of learning were received, namely: from Southwestern University, at Georgetown, F. A. Mood, Regent; Fairfield College, Fairfield. A. E. Peterman, Principal; Andrew Female College, Huntsville; Chappell Hill Female College, Chappell Hill, Prof E. W. Tarrant, President; Soule College, Chappell Hill, Rev. E. D. Pitts, President; Calvert High School, Centreville, Rev J. F. Follin, Principal. All these institutions are in successful operation, save Andrew Female College, a Huntsville. The trustees report that they have kept the building in good repair but have been unable to sustain a school. They ask and the Board recommends that three vacancies be filled in the Board of Trustees, one in the First class and two in the Third class.

The Calvert High School asks the reappointment of J. F. Follin, as Principal; but Bro. Follin having sent in his resignation to the trustees, that he may give himself more entirely to the itinerant work, the Board does not recommend the appointment.

Fairfield College is not yet the property of the church, the property being donated on condition that the church, for five years, succeeds in sustaining at that place a prosperous school. The Board calls the attention of the Conference to the request of the school for some "organized and cordial co-operation," and urges upon the church the necessity of fulfilling its contract, so as to make good its title to this valuable property.

Soule College seems enjoying a new lease of life, and is commended by the Board to the confidence of the church.

Chappell Hill College has been, since September first, under the management of Prof. E. W. Tarrant, who has within this time drawn patronage from ten counties. We especially recommend this institution to the notice of the Conference and the confidence of the church.

The Southwestern University has its usual reports before us, and they show an unexampled prosperity attained by this great Central Institution. It is the opinion of the Board that all the aid and co-operation which it has received in the past from this Conference should be multiplied an hundred-fold during this centennial year.

Resolved, That we recommend an assessment of one hundred dollars to each Presiding Elders' District for Southwestern University.

J. F. FOLLIN, *Chairman.*

DISTRICT CONFERENCE RECORDS.

To the Bishop and Members of the Texas Conference:

Your Committee beg leave to report that they have examined the District Conference Record Books of Texas Conference, and call your attention to the results of their labor:

The Records of the Austin District Conference are preserved in a suitable blank book, nicely written and show a faithful exhibit of the proceedings of the Conference. They are signed by the Secretary but the signature of the Chairman of the Conference is omitted.

The Records of the Galveston District Conference are accurate.

The Records of the Chappell Hill District Conference are found to be deficient in the reports of committees. The signature of the Secretary is wanting, and the chirography is not commendable.

The Records of the Calvert District Conference are written in the blank book published by the Publishing House. They are systematically arranged, evincing care, and duly signed by the Secretary and Chairman.

The Records of the Huntsville District Conference are carefully prepared, with marginal references, phraseology compact and penmanship fair.

Respectfully submitted,

M. S. HOTCHKISS, *For the Committee.*

BOOKS AND PERIODICALS.—REPORT NO. I.

To the Bishop and Members of the Texas Annual Conference, of the M. E. Church, South, now in Session in the City of Flatonia, Texas:

Your Committee on Books and Periodicals submit the following as their report No. I:

THE TEXAS CHRISTIAN ADVOCATE.

The value of the newspaper as the means of propagating thought can scarcely be over-estimated. It has become to the world of mind what the

blood is to the human body, carrying vital warmth and the elements of healthful food or of poison through the whole system. Any movement for the propagation of the Gospel that does not call to its aid the newspaper as a chief auxiliary, is wanting in a prime condition of success.

In reporting upon our own newspaper, the *Texas Christian Advocate*—our own jointly with the four Sister Conferences in the State—your Committee feel that they express the views of your body when they say that it is, and has been, a tower of strength to the cause of Truth in our borders. Its mechanical execution, under the management of the enterprising publishers, Messrs. Shaw & Baylock, while capable of improvement, has reached as high a degree of excellence as the circulation would justify; and in this respect holds no mean place in the Christian Advocate family. In the matter that goes forth through its columns it is distinguished both for the quantity and the quality, giving both a larger amount of reading matter than any other of our church papers, and not a whit behind any in pith and point. We feel that it is due the editor, as a member of this Conference, Rev. I. G. John, D. D., to express our unqualified approbation of his course in the unflinching warfare he has maintained against the prevailing vices of the country. If Sabbath-breaking, gambling, intemperance and kindred vices have received large attention in the columns of our *Advocate*, it is because these vices threaten alike our Holy Christianity and the integrity of society. We deem it fortunate, both for the cause of Christ and of our country, that we have at the helm of our *Advocate* one who, alike in what he has written and in what he has admitted to its columns from the pens of others, understands so well the religious and moral wants of our people, and who has the moral courage to antagonize sin, however strongly fortified by prejudice or money. It only remains that we, as preachers, should do our work in circulating our *Advocate* as well as the publishers and editor have done theirs in giving us a paper suited to the wants and genius of our people, to make it an arm of strength that shall tell manyfold more disastrously upon the ranks of sin.

Your Committee deem it proper to call attention to a paper adopted by your body during the present session, known as the Constitution of the Joint Board of Publication, and to matters germane thereto. Whether, and to what extent, any contract entered into for the publication of the *Texas Christian Advocate* by the former Board of Publication, or the present, is binding upon the patronizing Conferences without their concurrence, is, in the minds of your Committee, a question involving grave issues. Should the effect of such contract ever be to dispose of the editorial management of the paper in a way unsatisfactory to a majority of the several hundred preachers in our Conferences and the many thousands of our membership, the result cannot fail to be disastrous.

In view of the foregoing, we submit the following resolutions for your consideration:

Resolved 1st, That we heartily approve of the editorial management of the *Texas Christian Advocate*, and that the publishers deserve our thanks for

the enterprise and skill with which they give us a paper suited to the wants of our people.

Resolved 2nd, That we will renew our efforts to place, during the incoming Centennial Year of Methodism, a copy of our Conference paper in every family of our respective charges.

Resolved 3rd, That in adopting during our present session a paper known as the Constitution of the Joint Board of Publication, it was not our purpose to contribute to the creation of a Board whose acts shall, without the concurrence of the Conferences creating such Board, bind said Conferences in matters pertaining to the office of editor or the editorial management of the *Texas Christian Advocate*; but that we reserve the right, should it in our judgment become necessary to interpose, to determine, jointly with the other patronizing Conferences, questions of this character.

Resolved 4th, That we have confidence in the ability of the present editor of the *Texas Christian Advocate*, Rev. I. G. John, D. D., to continue, as he has done in the past, to give us a paper suited to the wants of our people, and we would earnestly recommend to the Board of Publication his continuance.

Respectfully submitted,

E. S. SMITH, *Chairman.*

Flatonia, Texas, December 14, 1883.

REPORT NO. 2.

SOUTHERN METHODIST PUBLISHING HOUSE.

From the report of the Agent and Book Committee of our Publishing House at Nashville, referred to your Committee, we gather data which shows the House to be in a rapidly improving financial condition. The total business of the House during the last fiscal year amounted to \$216,974 29, yielding a total gain of \$67,074 91. The year began with outstanding liabilities amounting to \$226,504 01, and closed with a reduction of liabilities of \$34,346 80, leaving \$192,157 21 as the entire indebtedness of the House. This exhibit is certainly very gratifying, and only requires a few years of similar prosperity to extinguish the entire debt. This consummation so desired depends largely upon the active co-operation of our preachers in circulating our literature. If the statistics placed in the hands of your Committee are to be taken as measuring our activity in this respect, there is not only ground, but also a call for improvement on our part—\$480 15 being the entire sum of sales of books reported to us.

The periodicals issued from the House need no commendation at our hands. The *Christian Advocate* is worthy of its relation to the church as her central connectional organ. It has reached a circulation of over twenty thousand, and yields a revenue of \$29,798 80. That our Sunday-school literature is adapted to the wants of the church is proven by the extent of the demand, the revenue from this source being, during the fiscal year, \$55,993 76.

We offer the following resolution for your consideration:

Resolved, That we hail with pleasure the rapidly improving financial condition of our Publishing House, and that we will renew our efforts to enlarge its business by increasing the circulation of its publications in our respective charges.

Respectfully submitted,

E. S. SMITH, *Chairman.*

REPORT ON THE QUARTERLY REVIEW.

To the Bishop and Members of the Texas Annual Conference, of the M. E. Church, South:

DEAR FATHERS AND BRETHREN: As your Committee appointed in the interest of our *Quarterly Review*, I beg leave to submit the following report:

As a church we have no reason to be ashamed of our *Quarterly Review*. Its future is assured and encouraging, and we have confidence that ere long it will rank with the best publications of its kind in Europe and America. Eminent critics have pronounced the October number the best number of any periodical of its character that has issued from the American press during the current year.

Its mechanical execution and finish are perfection in the art of printing. We are informed by the editor that its circulation has steadily increased during the year. The receipts have been sufficient to meet the expenses of publication, though little or nothing is left to supply such matter as is needed for its pages; but generous and active pens have supplied, and no doubt will continue to supply this lack.

What is now needed is generous support in the way of subscriptions. We may thus place our *Review* in the very front rank of literature. On behalf of the publisher I thank the brethren of the Texas Conference for a good list of subscribers.

Respectfully submitted,

H. M. DUBOSE, *Committee.*

Flatonia, Texas, December 14, 1883.

REPORT OF SUNDAY-SCHOOL BOARD:

To the Bishop and Members of the Texas Annual Conference:

Your Sunday-School Board report, with gratitude to Almighty God, an increasing interest in the Sunday-school work. There is an increase of six schools, 253 scholars, and an expenditure of \$2,348 11 in Sunday-school supplies, being an increase of \$700 on last year's report. But yet we do not think all has been done that might be done in this great work of the church.

We would earnestly recommend our Presiding Elders to hold one meeting during every Quarterly Conference session especially for the children.

We also recommend the exclusive use of our own literature, and would caution our brethren against receiving free grants of doubtful literature, which are given to supplant our own publications, and are calculated to create confusion in our schools and are no advantage to our church.

And whereas, your Board, realizing the importance of our Sunday-school work, and desiring to present to this Conference and the church the value of it, therefore, if our Sunday-schools are auxiliaries to the church; if our Sunday-schools are interested and actively engaged in the cause of Missions; if our children are being converted and brought into our church, we request the facts to be placed on the records of this Conference.

Be it Resolved, That the following statistics be reported by the preachers of the Texas Conference.

1. Money raised by Sunday-schools for Missions.
2. Money raised by Sunday-schools for other objects.

3. The number of accessions from the Sunday-school to the church.

Whereas, It is recommended by the General Conference, that a Sunday-school Convention be held annually in the bounds of this Conference; and whereas, this Board is unable to determine the time and place of holding such a convention—not being advised of any place that would entertain this body, therefore,

REPORT OF COMMITTEE ON BIBLE CAUSE.

Your Committee on Bible Cause deem it unnecessary to make an elaborate report upon a subject so familiar and so much a part of every minister's work. The Bible is to our country and to our civil and religious liberty a necessity. And it is a source of the profoundest regret that with our present facilities, and the remarkably low price at which the Bible can be bought, that there is yet so much destitution. And now, with the very rapid influx of foreigners into our State, we believe that it is absolutely important for us as ministers to, by every possible means, present the claims of the Bible, and seek to place it in the hands of all, both foreign and native. And now, that we may be reminded again of our duty, we, your Committee, append by permission the resolution passed at the last session of our Conference, viz:

Resolved, That we heartily co-operate with the agents of the American Bible Society, and whenever it is at all practicable assist, or if need be, organize societies auxiliary to the American Bible Society, and by all means in our power supply the people with the Word of Life.

W. J. PHILLIPS,
J. L. MURRAY,
D. H. LINEBAUGH.

REPORT JOINT BOARD OF FINANCE, NO. 1.

ART. 8. The Treasurer of this Board shall pay out all moneys only upon written order of the President, and shall take a receipt for the same. The interest of the money invested shall be paid annually to the Chairman of the Joint Board of Finance of this Conference.
